TRAP

When we are low we lose contact with our values and who we are through avoidance (the TRAP). Explore this here before moving to page 2- TRAC.

Trigger- the upsetting event
Response- How I felt
Avoidance Pattern- what I stopped avoided or withdrew from due to feeling bad

TRAC

You can make a plan to restore yourself. An alternative coping based on your values and the life that you want.

Trigger- the same upsetting event as above
Response- How I felt (likely the same as above)
Alternative Coping- what do I need to feel better? What fits my values and goals?
